

Checkpoint Evolve P10 / P20 systems

The Evolve iRange P10 is a robust aesthetically pleasing antenna, designed to withstand tough retail environments such as supermarkets and hypermarkets, pharmacies, DIY stores and garden centres.

The Evolve iRange P20 is a slimmer alternative to the P10 antenna, designed to withstand the same tough environments, but where space is at a premium.

Technology:

Self-contained, RF 8.2MHz EAS system

Coverage and Capabilities:

Coverage up to 2.1m (6ft) between pedestals (P10)

Integrated audio and visual alarming to notify store personnel

Eco Electronics as standard reduction consumption costs

Great detection rates and a high noise tolerance reducing false alarms

RFID Upgradable (P10 Only)

Remote Maintenance and reporting software

Jammer Detection as standard, people counting add-on available
